

OFFER AGREEMENT

This Client Agreement (hereinafter referred to as the “Client Agreement” or “Agreement”) is a public offer of the ART Cloud Technologies and shall be addressed to any competent person (hereinafter referred to as the “User” or the “Client”) on the terms and conditions set forth below.

1. You shall read this Agreement and signify your consent to the terms and conditions hereof by accepting this offer to become a Client of the ART Cloud Technologies (the “Company”).

2. You may withdraw your consent to the use of the electronic documents at any time, which will mean the simultaneous termination of this Client Agreement. If you withdraw your consent to the use of electronic documents and/or terminate this Client Agreement, you lose your right to profit hereunder.

If you desire to exercise your right to withdraw your consent to the use of electronic documents and/or terminate this Agreement, as well as if it is necessary to update your personal data, you shall contact the Company by sending an e-mail to www.nox.bz@gmail.com.

3. By accepting the terms and conditions hereof, you agree that the Company shall be entitled to change the content and the terms and conditions hereof unilaterally, without personal notice to the Client. The new version of the Agreement shall enter into force upon its posting on the official Company’s website at: <https://nox.bz> (the “Website”).

The current version hereof, as well as other documents related to it and adopted in execution of the Agreement shall be posted on the official Company’s website at: <https://nox.bz> and available for viewing, printing and downloading.

4. By checking the check-box “I agree to the terms and conditions of the Public Offer Agreement” below, you agree to the terms and conditions of the Client Agreement with the Company. When you click the “Cancel” button, the registration process will be stopped.

5. The Party that at the conclusion of the Agreement either before or after its conclusion gave the other Party false assurances of the circumstances relevant to the conclusion of the Agreement, its execution or termination, shall compensate the other Party for the losses caused by the unreliability of such assurances or to pay the penalty provided hereby upon its request.

The liability arises if the Party that provided false assurances assumed that the other Party would rely on them or had reasonable grounds to assume so.

The Party relying on the false assurances of the other Party, which are essential for it, along with the claim for losses or penalty recovery, shall also be entitled to withdraw from the Agreement, unless otherwise provided for by the agreement of the Parties.

Client Agreement

The ART Cloud Technologies offers any person to acquire the status of a User by accepting the terms and conditions of this electronic offer.

Terms and Definitions:

- Upgrade is the transition from a less expensive to a more expensive package by paying the difference in cost between them by the User.
- Point is the value added to the left or right leg of the binary tree relative to the Node in case of payment for packages by new downstream Users or Upgrade of packages by existing downstream Users. In addition, the Points will be awarded in case of purchase of additional bots by any of the downstream Users. Every \$100 of the purchase or upgrade value shall be converted to 1 Point.
- Binary Tree is a hierarchical data structure in which each Node has no more than two descendants (children). The first is called the parent node, and the children are called the left and right heirs.
- Login is e-mail address (E-MAIL) used for authorization in the Personal Account on the website <https://nox.bz>. The User shall provide a valid e-mail address when Registering.
- Password is an alphanumeric code for accessing the Personal Account on the website <https://nox.bz>. The Password is set by the User himself upon registration.
- Registration is the initial Login and Password to access the Personal Account on the website <https://nox.bz>. Upon registration, the User agrees to accept this Agreement.
- Personal Account is a personal settings control panel on the website <https://nox.bz>. Only the registered Users have access to the Personal Account.
- Authorization is the entering of the Login and Password by the User to login the Personal Account.

- Account is the accounting record on the website <https://nox.bz>.
- Curator is a person who provided the User with an invitation link to register on the website <https://nox.bz>.
- User's personal data is any User's personal data directly or indirectly related to the User provided by the Company User for the conclusion and execution of the Client Agreement and other information available to the Company in connection with the Client Agreement.
- Qualification (whether the User is qualified) - the User becomes qualified when he/she has at least one personally invited person on the left and one personally invited person on the right (in the binary tree).
- The User loses his qualification automatically if he/she shall not have at least one personally invited person on the left and one personally invited person on the right, each of whom has paid a subscription fee. The Unqualified Users will not be able to get some type of Client rewards.
- Activity (whether the User is active) - the User is considered active when his subscription fee is paid. There are two options for paying the subscription fee in the system <https://nox.bz>: for six months or for one year. The subscription fee shall be paid on 100% prepayment basis.
- At the first purchase of any package, each User shall receive 9 days to the paid period for the subscription fee, after which he/she needs to extend it. The Clients who have not paid the subscription fee will not be able to continue using the advisor program and participate in the Client Program.
- Blocking (whether the User is blocked) - the User's account may be temporarily/permanently blocked for violation of the Company Agreement - in this case, the User loses the ability to use the bot and access to the Client Program.
- If the Company has blocked the User hereunder, then the part of the rent for the period of blocking the User by the Company shall not be returned (shall not be reimbursed); the Company shall not be liable for User's losses caused by blocking the User, shall not reimburse them to the User.
- Cancellation (whether a refund is made upon service cancellation) - the Clients from some countries may request a refund, resulting in loss of access to the bot and to the Client Program.

- Node is a cell in the binary tree occupied by the User.
- Point converting to balance - reducing the number of Points in each of the two legs of the binary tree by the same value in case when each of them had at least one Point before the reduction. Each pair of Points (one of the left leg and one of the right leg) that has been converted shall be transferred to the User's balance on the understanding that one pair of Points is equal to \$10.
- Client Program is a form of business cooperation between the Company and Clients when selling services. It allows the Company to reduce the cost of attracting new Clients by distributing the part of its profits among the Clients attracting new Users.
- GMT - the system <https://nox.bz> performs all calculations related to GMT+0.
- UpTime is a server uptime for a certain period of time (measured in percentage).
- Profitability multiplier is a variable that may be changed by the User, if it is not prohibited by the tariff plan used. The profitability multiplier shall affect both the amount of profit brought by NOX during trading, and the possible financial losses.
- Trading Strategy is an algorithm based on which the NOX Advisor makes decisions on opening new deals or closing existing ones.
- Cycle (cycle close) - converting one pair of points into a balance. Each pair consists of one point from the left leg of the Binary Tree and one point from the right leg.
- Meta Trader is an electronic trading platform that is widely used by retail currency traders for online trading. The Meta Trader is developed by MetaQuotes Software.

1. **Offer Acceptance**

- 1.1. This offer shall be accepted by expressing the consent to the terms and conditions hereof and registering by filling out the registration form on the Company's Web resource with entering the personal data in the registration form located above the offer.
- 1.2. The offer shall be considered accepted from the moment of entering all necessary data into the registration form, expressing the Client's unconditional consent to the rules and provisions of the offer by selecting the checkbox in the column "I agree to the terms and conditions of the Public Offer Agreement" and clicking the "Registration" button.
- 1.3. The Client agrees to the storage and processing of his/her personal data.

- 1.4. It is forbidden to have more than one account registered to the Client. The Company shall be entitled to block the Accounts of the Client who violated this condition without prior notice.
- 1.5. After acceptance of the offer and registration of the Client's account, the Company shall send a notice to the e-mail specified upon registration. The notice shall contain the following information: a link to activate the created profile.

2. **Subject Matter**

- 2.1. The subject matter hereof is to provide the Client with NOX bot, a program that works as an advisor to the Meta Trader. The advisor is created in the MQL programming language.
- 2.2. The main functions of the program:
 - 2.2.1. automatic trading (opening, tracking and closing of transactions).
 - 2.2.2. Analysis of exchange rates and calculation of the most likely scenarios for choosing the optimal strategy for automatic trading.
 - 2.2.3. Optimization of the trading strategy and receiving settings made by the User through the Personal Account.
- 2.3. NOX bot is an add-on for Meta Trader, in the settings of which the User shall specify the login and password for using the bot received through the Personal Account. If the User bought one of the service packages and paid the subscription fee, the Advisor Program (bot) will perform trading operations (opening, tracking and closing of transactions). If the paid period ends, the bot ceases to create new transactions, but it continues to track previously created transactions for the next 2 months. If the bot stops working due to the end of subscription service or for other reasons (for example, if the User does not pay on time for his/her VPS/VDS, on which the Meta Trader is installed with the Advisor Program configured, then this may lead to an increase in financial risks with high probability, as previously created transactions will remain open. The VDS/VPS shall be configured by the User in strict compliance with the instructions. The User shall be fully liable when using the bot; he/she shall make settings on the account and in the Meta Trader independently, as well as pay the subscription fee for the VDS/VPS use and the subscription fee for the

bot. It is not recommended to change the password from the trading account during the Advisor Program operation; this may lead to the closure of some transactions with the loss of part of the funds. If it is necessary to change the account password, then the User shall be obliged to undergo re-authorization in the Meta Trader on VDS/VPS immediately. If the User has a negative balance for any reason, the bot will not create new transactions until the User's balance becomes positive.

3. **Cost of Services. Settlement Procedure.**

3.1. PACKAGE No. 1: S. The minimum paid package on which the Advisor Program works with one real trader's account. There are no bot settings for this package; it is impossible to buy additional bots. It is possible to upgrade this package to "M" or to "L". It is impossible to cancel the package with a refund (except for US Users).

3.1.1. Limitations. The Advisor Program works with a fixed profit multiplier, the value of which cannot be changed. The Advisor Program will use no more than \$1,000 from the User's trading account for trading. In case the User deposits more than \$1,000 to his/her trading account, the bot will ignore the amount exceeding \$1,000. Only trading strategies that are developed for this tariff are available to the User.

3.1.2. The subscription fee is \$120 when paying for 6 months, \$190 when paying for 12 months. Upon purchase of the package, the User will be given 9 days to pay the subscription fee in full. The subscription fee is mandatory even if the Client shall not use a bot. The referral accruals under the Client Program for upstream Nodes and Supervisors will not be made from the subscription fee paid by the User.

3.2. PACKAGE No. 2: M. The package includes the ability to connect one trading account in default. The User may buy one bot at any time, but the advisor program may only be used on the trading accounts of the account holder (there is no possibility to start the Advisor Program on the trading account of a person with a different name or surname). The owner of the "M" package has an ability to upgrade his/her tariff to "L" at any time, but he/she is not able to return to a lower tariff.

- 3.2.1. Limitations. The User may adjust the profit multiplier independently for each of the two bots in the range from 0.8 to 1.4. The limit on the amount of funds that the bot will use on each of the two trading accounts is not more than \$5,000. The User has access to those trading strategies that are developed for this tariff and for “S” tariff. The User shall be able to choose a trading strategy individually for each of the advisors.
 - 3.2.2. The subscription fee is \$120 when paying for 6 months, \$190 when paying for 12 months. Upon purchase of the package, the User will be given 9 days to pay the subscription fee in full. If the User switched to this tariff by upgrading the package, he/she will not be given 9 additional days to extend the subscription fee. The subscription fee shall not depend on the number of bots that the Client uses. The subscription fee is mandatory even if the Client shall not use a bot. The referral accruals under the Client Program for upstream Nodes and Supervisors will not be made from the subscription fee paid by the User.
 - 3.2.3. Purchase of additional bots. The User shall be able to use the funds from the account balance to purchase one additional Advisor.
- 3.3. PACKAGE No. 3: L. This tariff is best suited for professional traders and professional marketers promoting NOX advisor. Each owner of the “L” package shall get the opportunity to connect four trading accounts by default. It is impossible to run the advisor programs on other people’s trading accounts, as well as on other tariffs. Switching to a lower tariff is not possible.
 - 3.3.1. Opportunities. The User shall be able adjust the Profit Multiplier independently for each of the bots in the range from 0.8 to 1.7. The limit of the amount of funds that the bot will use on each of the trading accounts is not more than \$30,000. The User has access to those trading strategies that are developed for this tariff and for “S” tariff and for “M” tariff. The User shall be able to choose a trading strategy individually for each of the advisors.

- 3.3.2. The subscription fee is \$120 when paying for 6 months, \$190 when paying for 12 months. Upon purchase of the package, the User will be given 9 days to pay the subscription fee in full. If the User switched to this tariff by upgrading the package, he/she will not be given 9 additional days to extend the subscription fee. The subscription fee shall not depend on the number of bots that the Client uses. The subscription fee is mandatory even if the Client shall not use a bot. The referral accruals under the Client Program for upstream Nodes and Supervisors will not be made from the subscription fee paid by the User.
- 3.3.3. Purchase of additional bots. The User shall be able to use the funds from the account balance to purchase additional Advisors (he/she shall be able to make no more than 6 purchases).
- 3.4. The Company's services shall be paid by transferring funds to the Company's account or the account of the payment system that provides services to the Company.

4. **Client Reward for the Company's Product Recommendation.**

- 4.1. Sale Bonus. Each Supervisor shall receive a percentage of the cost of the package purchased by the User on his/her balance when buying a package by personally invited by him/her person. The percentage shall depend on the type of package that was purchased personally by the invited User:
 - 4.1.1. If the personally invited User bought the "S" package, then his/her Supervisor shall receive 40\$.
 - 4.1.2. If the personally invited User bought the "M" package, then his/her Supervisor shall receive 80\$.
 - 4.1.3. If the personally invited User bought the "L" package, then his/her Supervisor shall receive 330\$.
- 4.2. Upgrade Bonus. If the personally invited User upgrades the package, then his/her Supervisor shall receive a reward, calculated as a percentage of the difference between the cost of the package that the User switched to and the package that he/she had before the Upgrade. The percentage depends on the

type of package that was purchased personally by the invited User, and on the type of package that he/she had before the Upgrade:

- 4.2.1. If the personally invited User upgraded from the “S” package to the “M” package, then his/her Supervisor shall receive 40\$.
- 4.2.2. If the personally invited User upgraded from the “S” package to the “L” package, then his/her Supervisor shall receive 290\$.
- 4.2.3. If the personally invited User upgraded from the “M” package to the “L” package, then his/her Supervisor shall receive 250\$.
- 4.3. Supervisor’s Upgrade Bonus. If the owner of one of the downstream Nodes upgrades the package, then the User shall receive the Points in the corresponding leg. The number of Points accrued depends on the difference between the cost of the package that he/she switched to and the package that he/she had before the Upgrade. Every \$100 of the difference between the cost of the packages shall be converted to 1 Point.
- 4.4. Supervisor’s Bonus. When a personally invited User invites a new Client, his/her Supervisor shall be charged a bonus to his/her balance. The amount of charge shall be equal to 5% of the cost of the package, which was purchased by a new Client.
- 4.5. Booster Bonus. If the User, after paying for his/her first package, manages to invite new Clients within 7 days, then the User will be rewarded for each pair of Clients. It shall not matter whether the invited Clients will be placed in the left or right leg - they may all be in one leg. This bonus may be restarted by the administration of ART Cloud Technologies; in this case the countdown will return to 7 days even for those members of the Client Network who have already received it. The size of this bonus is 40% of the cost of the cheapest package in each of the pairs of Clients. Each pair is formed on the principle of pairing clients, depending on the cost of the packages they purchased. The Clients with the packages of the same type shall be paired; if no similar packages are found, then the Clients with cheaper packages shall be used for pairing:
 - 4.5.1. A pair of two Clients with the “S” package will be a bonus \$160 for the Supervisor who invited them.

- 4.5.2. A pair of two Clients with the “M” package will be a bonus 320\$ for the Supervisor who invited them. If the inviting person purchased the “S” package at the end of the bonus period, the maximum profit will be 160\$, even if the Clients were with “M” or “L” packages at the time of bonus calculation.
- 4.5.3. A pair of two Clients with the “L” package will be a bonus 960\$ for the Supervisor who invited them. If the inviting person purchased the “S” package at the end of the bonus period, the maximum profit will be 160\$, even if the Clients were with “M” or “L” packages at the time of bonus calculation. If the inviting person purchased the “M” package at the end of the bonus period, the maximum profit will be 320\$, even if the Clients were with “L” package at the time of bonus calculation.
- 4.5.4. A pair of two Clients, one of which bought the “S” package, and the other bought the “M” package, will be a bonus 160\$ for the Supervisor who invited them.
- 4.5.5. A pair of two Clients, one of which bought the “S” package, and the other bought the “L” package, will be a bonus 160\$ for the Supervisor who invited them.
- 4.5.6. A pair of two Clients, one of which bought the “M” package, and the other bought the “L” package, will be a bonus 320\$ for the Supervisor who invited them.
- 4.6. Team Bonus. When a new Node appears in the tree, the Points shall be awarded to all Users higher up in the Binary Tree (Active Users only). When an individual User accumulates Points in the right leg and in the left leg, they shall be converted into money on the balance.
- 4.7. Diversification Bonus. If the owner of one of the downstream Nodes purchases an additional bot, the User shall receive the Points in the corresponding leg - 1 Point shall be awarded for every \$100 of the purchase price.
- 4.8. Leadership Bonus. When the personally invited Users up to 4 levels down receive a Cycle bonus, the User shall receive a percentage of the amount that someone from the given chain receives on the balance when closing the

Cycles. The amount of the User's reward shall be equal to 10% of the amount received by each of the owners of cells located at a depth of up to 4 levels for closing the Cycles.

5. Rights and Obligations of the Parties

- 5.1. The Company shall be obliged:
 - 5.1.1. To provide access to the use of the Advisor Program in case of payment for the selected package according to the terms and conditions hereof.
 - 5.1.2. To ensure the proper quality of the services provided.
 - 5.1.3. To give the Client the file of the Advisor Program (bot) for the Meta Trader in case of purchase of any of the paid packages.
 - 5.1.4. To transfer the funds accrued for any of the Client bonuses to the Client.
 - 5.1.5. To provide the Client with instructions on using and setting the Advisor Program.
 - 5.1.6. To provide the performance of cloud servers with high UpTime of about 95% on weekdays;
 - 5.1.7. To provide access to the bot settings through an account with UpTime of 95%.
- 5.2. The Company shall be entitled:
 - 5.2.1. To improve the bot for optimizing the trading strategies and issuing the updated version to the Clients.
 - 5.2.2. To refuse to cooperate with the Client in case of misuse of information regarding the Company's work, as well as the creation of a negative reputation on any information resources.
 - 5.2.3. To make any changes to the Advisor Program without prior notice at any time. The Client agrees that the Company shall not be liable to him/her or any third party for any changes, outages, data transfer, updating or adding functionality, or Advisor Program termination. Any such feature changes, edits, updates or development belong exclusively to the Company, and the Client shall have no rights to them.
 - 5.2.4. To reject the registration application from any Client at its discretion.

- 5.2.5. To amend any terms and conditions hereof at its discretion. By accepting the terms and conditions hereof, the Client shall be obliged to comply with all amendments and changes made by the Company. The amendments shall take effect upon Clients notification of the Agreement change. The amendment notices shall be posted on the Company's official website, which is a proper notice to all Company Clients. The continued cooperation of the Client with the Company or further receipt of Bonus Points and other rewards by the Client shall mean acceptance of all amendments to the Agreement.
- 5.2.6. To change the design of the Advisor Program, its content, modify or supplement the used scripts, software and other objects used or stored by the Company, any server applications at any time with or without prior notice.
- 5.2.7. To dispose of the statistical information related to the functioning of the Advisor Program, as well as the Client information to ensure the targeted display of advertising information to different Users of the Advisor Program. To organize the functioning and technical support of the Advisor Program and the execution hereof, the Company shall have the technical ability to access the personal pages of the Users only in cases established hereby or in accordance with the legislation.
- 5.2.8. To terminate the Agreement unilaterally and stop paying commissions and reward for violation of the terms and conditions hereof.
- 5.3. The Client shall be obliged:
 - 5.3.1. To pay a subscription fee for using the bot timely.
 - 5.3.2. To pay for the VDS/VPS server on which the Meta Trader and the Advisor Program attached to the account are installed timely.
 - 5.3.3. Not to create, modify, or close orders created by the bot himself/herself.
 - 5.3.4. Not to allow the use of other advisors in parallel with NOX bot, as this may lead to instability and financial losses.
 - 5.3.5. Not to transfer information on transactions that are created/modified/closed by the bot to third parties. The trading mechanism, the volume of orders, the time of their

creation/modification/closure are confidential information that shall not be shared with anyone. The transfer of this information to third parties will be regarded by the Company as espionage and will lead to the service denial.

- 5.3.6. Not to use the bot for trading on dollar accounts, since only trading on cent accounts is allowed, all other currencies shall be prohibited.
- 5.3.7. Not to use the burdened funds (credit funds, loan funds, etc.) for trading. If the User incurs losses related to the use of burdened funds for trading, the Company shall not be liable for their occurrence and shall not compensate the User for losses.
- 5.3.8. To be fully responsible for his/her actions when working with the account with the broker. For example, if the Client has \$1000 in his/her account and the bot is on, he/she shall decide to make a full withdrawal. To do this, he/she shall first disable the bot in the Meta Trader, then close all transactions manually, only after that he/she shall be able to withdraw his/her funds in the account on the broker's website. Violation of this procedure may result in financial losses.
- 5.3.9. To keep confidential all the data for access to the trading account (login and password) and access to the bot settings in the Personal Account.
- 5.3.10. Not to post or otherwise transfer the deliberately false information on the principle and/or strategy of the Advisor Program to third parties; it shall be based solely on the official description.
- 5.3.11. To comply with all international, federal, state, local laws and regulations when using the Company's products.
- 5.3.12. To comply with all the terms and conditions set forth herein, as well as amendments that the Company may make at its discretion over time.
- 5.3.13. Not to interfere with the work of the Advisor Program and the Company.
- 5.3.14. To report all violations of the terms and conditions hereof committed by other Clients.
- 5.3.15. Each Client shall be personally responsible for paying taxes on any income from the Company. The Company shall not be liable for tax evasion of its Clients.

- 5.3.16. Not to attract the Company Clients to participate in other projects with a similar system and products. For this Clause violation, the Company shall be entitled to block the Client's account. In this case, the lost commissions as a result of blocking or arresting of the account shall not be refundable.
- 5.3.17. Not to register, as well as not to incline the Clients already registered in parallel and/or upstream, downstream branches of the Binary Tree Structure to registration. For this Clause violation, the Company shall be entitled to lock the account of the Client who has registered an existing Client, as well as a new account of the existing Client. In this case, the lost commissions as a result of locking or suspension of the account shall not be refundable.
- 5.3.18. When using the Advisor Program, the Client shall be obliged:
- 5.3.18.1. To comply with the current legislation of the Client's country of residence, the terms and conditions hereof and other special documents of the Company.
 - 5.3.18.2. To provide accurate, complete and current data upon registration.
 - 5.3.18.3. To inform the Company on the unauthorized access to the personal page and/or use of the Client's password and login.
 - 5.3.18.4. Not to provide other Clients with access to his/her own personal page or to the individual information contained on it in case this may lead to a violation of the law of the Client's country of residence and/or the terms and conditions hereof and special documents of the Company.
 - 5.3.18.5. To keep confidential and not provide other Clients and third parties with personal data (including, but not limited to home addresses, phone numbers, e-mail addresses, passport data, banking information) and information on the private life of other Clients and third parties, that became known to him/her as a result of communication with other Clients and other use of the Advisor Program, the Company's website without obtaining the prior permission of the latter.

5.3.18.6. To back up the information important for the Client stored on his/her personal page.

5.3.19. If there is any doubt regarding the legality of certain actions, including the posting of information or providing access, the Company recommends abstaining from the latter.

5.4. The Client shall be entitled:

5.4.1. To use the Company products in accordance with the terms and conditions hereof.

6. Prohibitions and Limitations

6.1. The Client shall not be able to assign any rights or delegate any obligations hereunder without the prior written consent of the Company. Any attempt to assign or delegate the rights without the written consent of the Company gives the Company the right to contest the Client's actions.

6.2. Due to legal and tax aspects, the Company shall be forced to limit the sale of its products and the presentation of its capabilities to the Clients in the countries where such activities may be considered illegal. Consequently, the Client shall not be entitled to sell or advertise the Company products or to promote opportunities in countries and territories that have not been formally agreed with the Company. The Client needs to agree the recommendations and a strategy for selling products in certain countries with the Company at: www.nox.bz@gmail.com.

6.3. The Clients shall not be able to use or try to register any Company trade names, trademarks, service names, service marks, product names or any derivatives thereof as Internet domain names.

6.4. The use of the Company trade names, trademarks, design or symbols by any persons, including Company Clients, without prior written permission of the Company are prohibited. The Clients shall not be able to sell or distribute the recordings of any events and performances of the Company by their representatives without the written permission from the Company, and the Clients shall not be able to sell or use the audio and video recordings of any Company presentations for their personal purposes.

- 6.5. The Clients shall not respond to media inquiries regarding the Company, its Products or Services. All requests from any media shall be immediately transferred to the Company's marketing department.
- 6.6. The Client shall be forbidden to use verbal and written statements made in relation to the Company, the Services or the Marketing Plan of the Company, which are not explicitly contained in the official materials and documents of the Company, which may mislead the potential Clients.
- 6.7. The Client shall fully be responsible for all his/her oral and written statements made in relation to the Company, the Services or the Marketing Plan of the Company, which are not explicitly contained in the official materials and documents of the Company.
- 6.8. The agreement between the Company and its Clients shall not create labor or agent relations. The Clients shall not be considered as Company's employees for the purposes of the federal, regional, local or other taxation provided for by the laws of the resident's country. All Clients shall be personally responsible for the deduction of local, regional, federal and other taxes provided for by the legislation of the resident's country from all compensations and rewards received by the Client from the Company.
- 6.9. The Company name and other names that may be approved by the Company are its own trade names, trademarks and service marks. The use of the Company name or logo (Company projects) on any product not manufactured by the Company is prohibited.
- 6.10. The persons under the age of 18 shall not be able to participate in the Company's marketing plan and receive a money reward for recommending the Company services. The Client shall not be personally responsible for violation of this Clause, as well as for misleading the Company regarding his/her age by entering false information upon registration.
- 6.11. The Client shall not be entitled to sell, transfer, give, or perform other legal actions to transfer the account to third parties.
- 6.12. In case of the Client's death, his/her account may be transferred to his/her heirs. The Company shall be provided with appropriate legal documents to ensure the correct transfer of the account. The heir shall acquire the rights to all Bonus

Points and other rewards of the deceased Client if the following terms and conditions have been fulfilled. The Successor(s)/Candidate(s) shall:

- 6.12.1. Comply with the terms and conditions hereof and other Company regulations.
- 6.12.2. Conform to the terms and conditions hereof and other regulations.
- 6.13. To transfer the account by inheritance, the Successor/Candidate shall provide the Company with the following documents:
